Speedy Gonzales

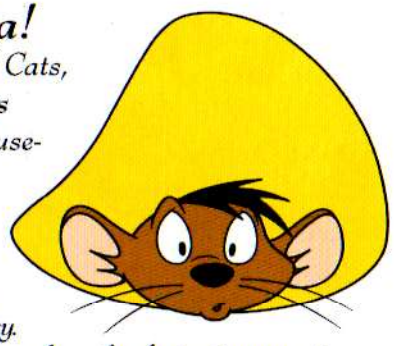
¡Los Gatos Bandidos!

¡Ai, Caramba!



The criminal band of Cats, known as **Los Gatos Bandidos**, *has "mouse-napped" all my mouse friends and hidden them in different parts of the Cat-Badlands country. And, I,* **Speedy Gonzales**, *the fastest mouse in all of Mexico, must find them and bring them home, pronto! Good thing I am fast and plenty smart in the cabeza, because, Amigo, I don't think this will be so easy. Those bad Gatos are very sneaky and have traps and bandidos waiting to stop me. I am asking you, Amigo, to help me rescue my friends and beat the Bandidos.*

Speedy Gonzales

To do this, we must travel to each level and find all of the captured mice before their time runs out. Each of the levels is different, with dangers, puzzles and things that are good to have, but very hard to find. Okay, it seems I am forgetting something... ah sí ~ my stomach rumbles. Maybe we can find some **cheese** *along the way.*

Come ~ we are off to the Cat-Badlands.

¡Arriba Arriba ~ Andele Andele!

If you are able to free all the mice in that section, you will receive bonus points and an extra continue. For each 100 cheeses collected, you'll get an extra life.

Free the Mice!

This is what we're here for! At the beginning of each level, you'll be told how many mice there are to find. You must search each level carefully to find all the caged mice. If you run into them ~ ¡Viva Gonzales! They are free! And, Amigo, in case you should be captured by Bandidos or lose a life, you will return to the last mouse you've rescued in that level.

If you run out of time, you will start again at the beginning of the level you are in. If you lose all your lives and decide to continue, you will return to the beginning of the level. Remember, you do not have to rescue all of the mice, but if you do, you will receive mucho bonus points and a continue. Each mouse freed is worth 500 points.
